

**NOTICE**

All students appearing for ATKT examinations in the course of Engineering Physics are, hereby, informed that the Internal Assessment (IA) Examination for EP1 & EP2 is scheduled on Monday, 18.12.2023 at 01 pm in the ground floor classroom (Comp CR 1), opposite to the Physics laboratory.

The syllabus for the Examination is:

Semester	Module	Topic (Theory & Numericals both)	Weightage (%)
I	2	Crystallography	40
	4	Interference in thin Film	40
	5	Superconductors and Supercapacitors	20
II	2	Laser & Fibre Optics	40
	4	Relativity	35
	5	Nanotechnology	25

- The paper pattern will be the same as IA1 & IA2.
- Maximum marks = 15
- Duration = 45 min
- Minimum marks required = 06

Course Coordinator

  
Prof. Sameer Hadkar
