Event summary

- ❖ On September 02nd, DBIT E-cell Team and Development Engineering Course conducted a Workshop on Problem Solving and Ideation.
- ❖ The main motto of the event was to motivate introduce audience to complex problem solving skills and explain about how to ideate.
- ❖ Approximately 55 Participants had joined the session. They gained knowledge about how to attack complex Problems and break down into manageable chunks so that step by step solution could be achieved.
- ❖ The audience also understood how to ideate from scratch and apply it for solving a problem.
- ❖

- ❖ Also Our Chief Guest **Mr. B. R. Venkatesh** was very pleased with the response from participants, All the doubts of students were cleared
