• **Challenges Faced:**

- Network connectivity from participant's side.
- As the entire event was online and our team was not able to visit different colleges for publicity, bringing individual participants/teams from different colleges was one of the major issues faced by us.
- Adhering to fixed timings was an issue.

• **Key Factor for the Success of the Event:**

- The enthusiasm and willingness of all the participants to participate.
- The diligence of the team organizing the event.

• **Individual Learning in Organizing the Event:**

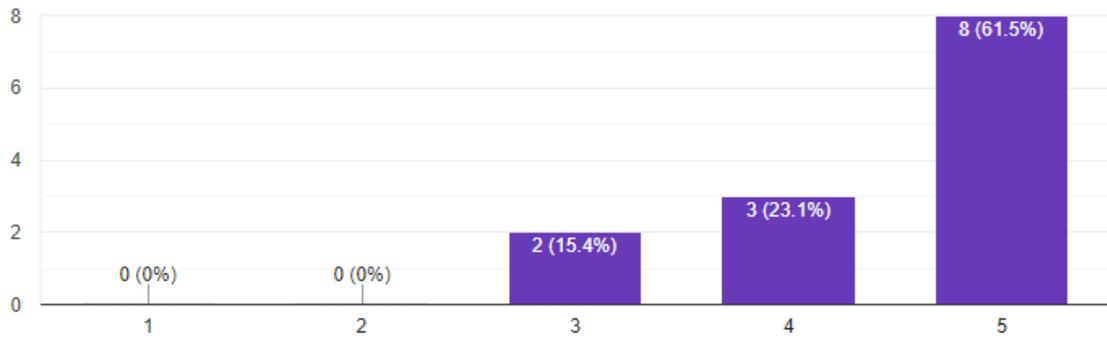

- Improved Communication Skills for team events as well as improved hand-eye coordination.
- Team Management skills while organising the event and distributing the workload.
