

DON BOSCO INSTITUTE OF TECHNOLOGY, MUMBAI

MEETING WITH SHISHU VIKAS MANDIR HIGH SCHOOL TEACHERS

June 17, 2021

A total of 10 faculty of Shishu Vikas Mandir High School, Kurla (W), met with faculty of DBIT on June 17, 2021. The meeting was held on ZOOM platform. It was scheduled to discuss the STEM training programmes that would be beneficial for the students of the school. This initiative of DBIT was to bring about awareness and interest among school students about STEM courses.

The agenda of this meeting was to know better the learning habits and the teachers' inputs to make learning experience better.

The following points were discussed.

- 1) The contents for STEM related courses were discussed.
- 2) The faculty assured that they would provide their full support to the initiative taken by DBIT.
- 3) The students of the school had device issues so learning in online mode was a problem.
- 4) It was decided that offline mode teaching of STEM courses would be a better proposition.
