

## Don Bosco Institute of Technology

### Colosseum 2021

#### Report on “ UI/UX Challenge “

##### **Objective:**

- To give an opportunity to implement what the students learned during the UI/UX Workshop
- To make them aware of Design Principles
- To provide a platform for students to exhibit their elegant, human-centred product ideas.

##### **Outcome:**

- Students will be able to enhance their coding skills therefore attracting recruiters.
- Students will be able to work effectively by assessing their own strengths and weaknesses.

**Date and Time:** 31<sup>st</sup> March 2021 – 11:00 AM – 1:00 PM

**Number of Registrations:** 32 Registrations

**Mode of Conduct:** Presentation in Zoom Meeting

##### **Description:**

Workshop based Competition

UI/UX Design Challenge was mainly for workshop participants to test their skills and knowledge, that they gained from the workshop conducted.

Judges for this competition were from VLink (organization that conducted the workshop), Mr. Yogesh and Mr. Ashish More.

The parameters for judging were:

- Contrast (Colour combinations)
- Repetition
- Alignment
- Proximity ( proper grouping )
- Presentation

##### • **Challenges Faced:**

- Network connectivity from participant’s side.
- Bringing in students to participate in the event by helping them manage their academics.

##### • **Key Factor for the Success of the Event:**

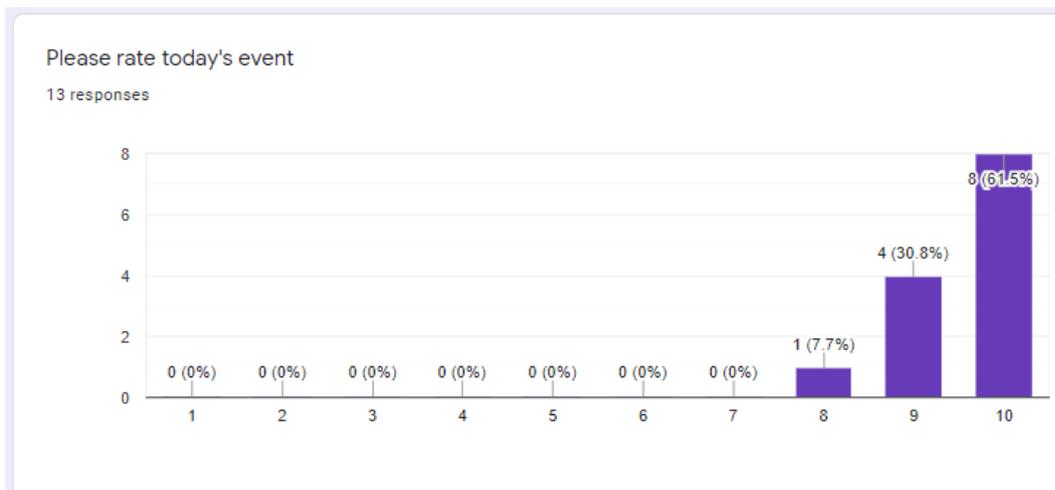

- The enthusiasm and willingness of all the participants to participate.
- The righteous decision of the judges in scoring and reviewing all participants.
- The diligence of the team organizing the event.

##### • **Individual Learning in Organizing the Event:**

- Improved Communication Skills as we got to interact with lot of students as well as faculties.
- Team Management skills while organising the event and distributing the workload.

**Registrations: Out of the 28 Participants, 15 of the students participated in the competition.**

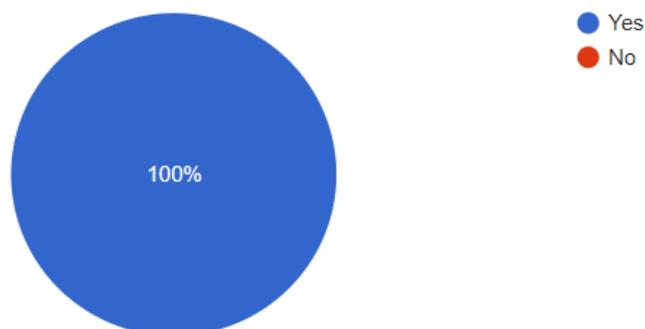

**Feedback:**

- Feedback
- 7 responses
- Nothing
  - Nice Competition
  - I liked the fact that I got good and useful feedback about my app design which I can implement to improve the app.
  - It was a great experience
  - It was amazing, the judges were supportive! Thanks for the advices!
  - Amazing event :)
  - Excellent Workshop

Will you be interested to be part of coding competition, organized by DBIT, in future?

8 responses

## Winners:

1. Amanda D'Cunha
2. Adonia Sequeira
3. Kartik Gowda
