

ANNUAL REPORT

2023-2024

**THE BOMBAY SALESIAN SOCIETY'S
DON BOSCO INSTITUTE OF TECHNOLOGY,
MUMBAI**

VISION

DBIT will be known to have an innovative, enjoyable and holistic learning environment that transforms individuals into socially conscious citizens the Don Bosco way, and will lead in research and entrepreneurship in the area of sustainable technologies.

MISSION

- To create future engineers who work with honesty and integrity and excel in the use of technology for the benefit of the underprivileged.
- To train engineers to be innovative problem solvers and entrepreneurs who engage in research and life-long learning.
- To provide a diverse and stimulating environment for staff and students to grow holistically.

From The Director's Desk

When Don Bosco Institute of Technology (DBIT) began, our dream was simple yet profound: to ensure that every young person who joins us leaves not only with dignity but with the skills and confidence to make a mark in the professional world. But that's just the start. We want every DBITian to also become the kind of person who adds goodness and value to life and the world around them. That's how we hope to make India proud and help our graduates shine on a global stage.

At DBIT, inspired by the values of Don Bosco, we've created a space where deep learning thrives. Excellence isn't just a goal here—it's a way of life. With supportive mentors and countless opportunities, we encourage our students to take charge of their journeys and chase their dreams. Through collaborations with industry experts, international organizations, and research initiatives, we bring innovation to life in a way that's meaningful and engaging.

What makes DBIT special is its sense of community. Whether it's our top-notch labs, wide-open playgrounds, or the vibrant cultural and technical events organized by our many clubs, cells, and chapters, there's something here for everyone. It's a place where talents are celebrated, ideas are shared, and every individual feels valued. This atmosphere builds confidence, nurtures collaboration, and inspires students to discover their best selves.

We live in a world powered by technology, but let's not forget that it's the earth that keeps us going. At DBIT, we focus on using technology for good—helping local communities, supporting the underprivileged, and reaching out to those on the margins of society. After all, education is truly meaningful only when it makes a difference in everyone's lives.

Fr. Anthony Pinto

Principal's Message

It gives me great joy to present the Annual Report for the academic year 2022-23. This year has been nothing short of remarkable, filled with achievements, creativity, and a spirit of togetherness.

Innovex was a standout highlight, offering a platform for our students to showcase their innovative ideas and creativity. It reinforced our commitment to nurturing fresh, groundbreaking talent. Alongside this, we struck a perfect balance between academics and sports, with our students excelling both in the classroom and on the field. Our cultural and technical fests brought the campus alive, celebrating the incredible talents that make our institution so unique.

Our outreach efforts this year were equally inspiring. From community service to environmental initiatives, we've strived to make a meaningful impact, extending our values beyond the campus walls and into the world.

This Annual Report is a reflection of all these moments and more, packed with information and images that tell the story of 2023-24. I want to take a moment to applaud the faculty and student teams who poured countless hours into editing and formatting this beautiful compilation. Your hard work has truly brought this report to life.

Dr. Sudhakar Mande

NEWSWORTHY

DBCL LEADERSHIP CAMP 2023-24

The DBCL Leadership Camp, held from September 27th to 29th, 2023, at Don Bosco Yuva Sanstha, Mothe Vengaon, Karjat, Raigad, was an enriching experience for 50 students and two accompanying teachers. Centered around the theme "**Youth for Leadership and Team Building**" the camp aimed to nurture leadership skills, personality development, and social awareness among participants.

The camp featured Commitment Games, Problem-Solving Sessions, and dynamic Team Building activities such as the A-Frame Challenge and Pipe and Marble Challenge. Thought-provoking sessions on Leadership Skills, Design Thinking, and Academic Year Planning provided students with both strategic insights and practical knowledge.

Beyond skill development, the camp emphasized social responsibility and environmental awareness, encouraging students to design impactful community outreach programs. Through interactive activities and open discussions, participants gained teamwork, creativity, and critical thinking skills while fostering a deep sense of unity and collaboration.

Each day followed a carefully structured schedule, beginning with an early train journey to Karjat. Activities flowed seamlessly from Commitment Games and Problem-Solving challenges to engaging outdoor adventures and vibrant cultural events, including music and dance performances. The evenings, marked by campfires and reflective evaluation sessions, strengthened bonds among participants.

Under the guidance of Fr. McEnroe Lopes (Campus Administrator and Delegate for Youth Ministry, SYM Group of DBCL), Dr. Royal Dsouza (Senior Program Coordinator, DBCL), and Dr. Ashwini Kothrashetti (Dean of Student Activities), students from various departments came together to create a vibrant and collaborative camp atmosphere.

In conclusion, the DBCL Leadership Camp 2023 was a resounding success, offering participants a holistic experience focused on leadership, teamwork, and social responsibility. The camp not only equipped students with essential life skills but also instilled a spirit of empathy, unity, and responsibility—laying the foundation for a brighter and more collaborative future.

DEPARTMENTAL DAYS

At DBIT, Department Days is an interdepartmental event when each department honors its accomplishments through the organization of various cultural events and felicitation ceremonies. The faculties of the respective department congratulate students for their accomplishments that they have made over the academic year.

HEISENBUG (IT)

SYNERGY (EXTC)

ALL-GO-RYTHM (COMPS)

VORTEX (MECH)

HYSTERIA - CULTURAL FEST OF DBCL

Hysteria stands unrivaled as the annual inter-collegiate cultural festival of DBCL, masterfully weaving together a tapestry of competitions that elevate every skill to celestial heights. From the enchanting rhythms of music to the graceful artistry of dance, and the profound resonance of literary pursuits, it captures the very essence of creative expression. This year's theme, **'Ethical Euphoria'** added a layer of meaning to the festivities.

This vibrant cultural celebration opens its arms wide to newcomers, eager learners, and those who simply wish to explore the wonders within. Hysteria truly encompasses all realms of cultural engagement, consistently inspiring and fostering positive growth in every student's journey!

COLOSSEUM

The faculty and the various student committees of DBIT host 'Colosseum', the annual technical festival of the Don Bosco Institute of Technology. For two days, the committees curate various events and engage in numerous social projects. Colosseum has earned a reputation for featuring competitions, exhibitions, conferences, seminars, and enjoyable activities that cater to students across the campus. This year's festival was held on February 29 and March 1, 2022, with the theme "Kaleidoscope: Into The Future." A diverse selection of workshops, competitions, discussions, exhibitions, and exciting mega-events were organized to inspire students and explore new opportunities.

TEKNACK 2024

Teknack is one of the amazing battlefields provided by ACM for the students of not just DBIT but also of other colleges to boost up their creative skills and pump up their technical skills by amalgamating with newer ideas and facts to build up games that give the players an experience that would last with them forever. Over 100 hours of relentless efforts and creativity was dedicated by the ACM team, and numerous meetings were held to organize the event. The ACM team involved 6 advisors, 13 members of the senior Core and 9 members of the junior core.

Total Developers : 40

Total games: 18

One of the best ways to carve some good ideas into minds, especially of the young, is through a game and keeping this in mind, Teknack has produced some value enhancing games that give the player a chill down the spine. Teknack 2024 was not just a festival but a celebration of collaboration, innovation, and passion.

INNOVEX 2023-24

Innovex is a **project exhibition** and interdepartmental competition wherein the BE students from all four departments exhibit and demonstrate the projects developed by them under the guidance of respective faculty members.

The Major objective of this exhibition is to provide a platform and unleash the potential of the students by showcasing their innovative projects as Industry Defined Problem or User Defined Problem.

The winners for innovex 2023-2024 in each department are as follows:

Dept.	Project Guide	Position	Project Topic
COMPS	Dr. Amiya K. Tripathy	1st	Interactive 3D Bot with Generative AI
	Ms. Dipti Jadhav	2nd	EDSense – Early Screening and Dynamic Intervention of children with insufficient number sense
	Dr. Shaikh Phiroj	3rd	Multilingual language model with code switch
IT	Mr. Prasad Padalkar	1st	Comparative Analysis of Deepfake Detection Model
	Ms. Aruna Khubalkar	2nd	Identification of Not Suitable For Work (NSFW) images
	Ms. Sunantha Krishnan	3rd	Comparative Analysis of Models for Emotion, Mental Health Conditions And Symptom Detection
EXTC	Dr. Ashwini Kotrashetti / Ms. Freda Carvalho	1st	Design And Development of A Meta-Surface Antenna for Sensing Applications
	Ms. Freda Carvalho	2nd	Development of A Container GPS Tracking System To Enhance Supply Chain Security
	Ms. Poonam Chakraborty	3rd	Smart Water Management Using LoRaWAN
MECH	Prof Swapnil Gujarathi	1st	A Novel Three Axis Scissor Kinematics based Motion System With Double Universal Joint Configuration
	Prof. Shreeprasad Manohar	2nd	Fracture Cast 2.0: A Multipurpose Photogrammetric Device for Advanced 3D Printing
	Prof. Madan Kulkarni	3rd	Conversion of Plastic Waste into Fuel, a Sustainable Approach
	Dr. Prasanna Nambiar	Consolation	Reimagining Women's Mobility in Urban Settings
	Prof. Johnson Varghese	Consolation	Finite Element Modelling of Steel Incinerator Containing Biomedical Waste

INNOQUEST 2023-24

InnoQuest-2023 served as a platform for the students to showcase their project work, fostering open ended discussions on 03 November 2023. It also inspired the first year students to explore problem solving and application of the concepts they are currently learning.

TE WINNERS

Dept.	Position	Project Topic
COMPS	1st	AI based multiplayer 2D Game with Rollback Netcode
	2nd	Fake Product Detection using Blockchain technology
	3rd	Nursery e-commerce platform with Virtual Green Space optimization
IT	1st	Transcribo
	2nd	Edulib: OER Platform
	3rd	Edulance :Freelance Services
EXTC	1st	Cleaning Bot
	2nd	Digital Frequency Meter
	3rd	BLE Notice Board
	Consolation	Audio Transmitter using LoRa
MECH	1st	Design, development and fabrication of solar dryer for drying Bombay duck
	2nd	Automation setup for filling water
		3D printing filament recycling
	3rd	Design and fabrication of Hand prosthetic arm using FDM method
		Waste Segregation
Consolation	Development of compact desalination unit based on low temperature heat source	

SE WINNERS

Dept.	Position	Project Topic
COMPS	1st	Rustic Root : - A shopping website exclusive to the forgotten relics of India
	2nd	Blood Donation Awareness Website
	3rd	Resumatic : - A website to instantly build a resume based on the given input from the user
IT	1st	Budget Tracker
	2nd	Modern Complain Management System (MCMS)
	3rd	Customer Relationship Management
EXTC	1st	Emergency Response Beacon
	2nd	Solar Mobile Charger
	3rd	Insect Repellent
	Consolation	Automatic infrared water tap
MECH	1st	Developing a Study Chatbot
		Pneumatic spray Painting Robotic Arm
	2nd	Air Purifier and Humidifier
		Zero Friction Electromagnetic Braking System Projec
	3rd	COMBUSTIONLESS PROPULSION BY DECOMPOSITION OF HYDROGEN PEROXIDE
		Amphibious Vehicle
	Consolation	Spring Assisted Mashing Machine
		Fabrication of Mopping Machine

SPORTS ACTIVITIES ORGANIZED **BY THE INSTITUTE**

DEPARTMENTAL TRIADS

Departmental Triads is the Inter-Department Shield Competition where four departments engage in cultural and sports events to win the Department Shield. Students from FE, SE, TE, BE participate in the various events and are given points accordingly.

The main objectives of the Departmental Triads were:

- To help students to get the college exposure that is required for their holistic development
- To help students to come out of their shells and try out new activities
- To increase students' engagement with the management, faculties and the student council.

This year the Department Triads was conducted between September 20th to September 25th, 2023. The event featured three sports—cricket, basketball, and football—for both boys and girls, involving the four departments: COMPS, IT, EXTC, and MECH.

This year, with the efforts of all the students and our faculty support, the Electronics and Telecommunication Department successfully bagged the Departmental Triads trophy.

DON BOSCO PREMIERE LEAGUE (DBPL)

The most anticipated sporting event of the year Don Bosco premier league which is an football tournament took place in the month of January. The event was held from 20th Jan to 31st Jan. For this event, more than 100 students participated. Students had two options in this tournament as they can be a Player and manager. For the students who are not interested in playing and were more inclined towards management, they had the option to manage the entire team. The event had 12 teams participating in it.

The objective of the tournament was to get all the students from Don Bosco institute to participate and to make a friendly environment between them as the teams were formed randomly so each teams were consist of students from every year. The finale took place on 31st of January 2023 which was Don Bosco day.

TEACHER'S DAY CELEBRATION

Teachers' Day was celebrated at DBIT on September 5th and 15th with heartfelt gratitude towards the teaching and non-teaching staff. On the 5th, council members distributed 110 cards with chocolates as tokens of appreciation, leaving a lasting impression. The celebrations continued on the 15th, coinciding with Engineers' Day, featuring a prayer by Fr. Brian, exciting games, and team activities like the teacher-treasure relay. Teachers competed in creatively named teams—Blockbusters, Atrangi-Satrangi, Aditya L1, and Toofan—across trivia, scratch card challenges, and puzzles. The highlight was Fr. Brian's surprise jugalbandi performance, adding a special touch to the day. Sweet hampers were given as tokens of appreciation, making the celebrations a memorable success filled with joy, camaraderie, and gratitude.

RAAS GARBA CELEBRATION

On October 18, 2023, DBCL campus celebrated Raas Garba with vibrant colors, energy, and rhythmic beats from 4:00 pm to 8:00 pm at the Top Court. Organized by the DBIT Student Council and Management, under the guidance of Mrs. Poonam Chakraborty, the event brought together 350 participants, including students and staff, in the spirit of cultural festivity.

Dressed in traditional attire, participants showcased their garba moves, creating an atmosphere filled with joy and camaraderie. Standout performances were awarded, with Ms. Anoushka Kini and Mr. Kanak Deshpande recognized for their dance, Ms. Dian Fernandes and Mr. Christopher Vaz for their traditional attire, and Ms. Sydelle Jose and Mr. Jaipreet Singh as the most enthusiastic performers.

The participation of teachers added to the charm of the event, making it a delightful blend of inclusivity and cultural celebration. The Raas Garba was a resounding success, leaving behind cherished memories and highlighting the rich cultural heritage of the community.

HARVEST FESTIVAL - ONAM CELEBRATION

The Harvest Day Celebration at DBIT was a vibrant event that united students and faculty in gratitude, unity, and cultural diversity. The day began at 1:15 p.m. with three parallel competitions: an elocution contest by LitSoc judged by Prof. Sachin Sugave, a singing competition judged by Fr. Brian Moras, Prof. Sunantha K, and Prof. Shree Prasad Manohar, and a Pookalam contest judged by former Principal Dr. Prasanna Nambiar.

At 3:15 p.m., the main event commenced in Mondini Hall with anchors Rucha Tatkare and Aditya Shetty explaining Onam's significance. The ceremony included a prayer by Fr. Nelson Carvalho, a lamp-lighting ritual, and cultural performances such as a welcome dance, a poem by Prof. Poonam Chakraborty, a DBIT Dance Club performance, and a drama by the Drama Club.

The event concluded with a prize distribution ceremony and a heartfelt speech by Dr. Prasanna Nambiar, emphasizing unity and cultural exchange. A lively jam session wrapped up the day, leaving participants with cherished memories of a joyous and meaningful celebration.

ENGINEER'S DAY TECH QUEST 2023

On September 15, 2023, DBIT celebrated Engineer's Day with the exciting Tech Quest, organized by the Student Council and ISHRAE DBIT, and coordinated by Ms. Sana Shaikh and Ms. Clea Perriera. With 50 participants from COMPS, IT, EXTC, and MECH departments, the event kicked off in Mondini Hall with comperes Melissa Fernandes and Sarthak Surve setting an energetic tone, followed by a prayer and lamp-lighting ceremony. The quest featured an aptitude round, followed by technical challenges across various labs. Participants assembled PCs, debugged programs, solved circuit problems, ran Arduino codes, and pieced together models in a race against time. The event concluded back in Mondini Hall with the screening of Techno Shorts reels and an award ceremony. Principal Dr. Sudhakar Mande commended the participants, while Technical Secretary Mr. Benish Cristo delivered a vote of thanks. Tech Quest was a resounding success, celebrating innovation, problem-solving, and the collaborative spirit of engineering.

REPUBLIC DAY CELEBRATION

On January 26, 2024, DBCL celebrated Republic Day with patriotic fervor at the Top Court, organized by the Student Council and DBCL Management. The event began at 8:00 a.m. with a flag-hoisting ceremony led by Chief Guest Reverend Father Anthony Pinto, followed by a heartfelt prayer by Father Brian Moras.

The celebration featured a patriotic speech, a soulful solo song, and a poignant poem, all reflecting the nation's ideals. NSS teams performed impactful street plays addressing social issues, while group songs and dynamic dance performances added vibrancy to the event.

In his inspiring address, Father Anthony Pinto emphasized upholding democratic values and striving for progress. The event concluded with a shared sense of pride and unity, leaving a lasting impression on all attendees and reinforcing the commitment to building a brighter future for the nation.

KARGIL VIJAY DIWAS 2023

On July 26, 2023, Don Bosco Institute of Technology hosted the Kargil Vijay Diwas Celebration, a heartfelt tribute to India's victory in the Kargil War and the sacrifices of our brave soldiers. Organized by the Student Council, the event at Café Bosco brought together students from DBIT and DBC, faculty members, the Principal, and management in a unified expression of gratitude and patriotism.

The celebration aimed to honor the courage and sacrifice of India's armed forces while fostering unity and national pride. The Music Club set the tone with a stirring medley of patriotic songs, inspiring emotions of pride and reverence among the attendees. A documentary screening provided an insightful glimpse into the challenges and heroism of the Kargil War, deepening the audience's understanding of this pivotal moment in Indian history. Adding to the solemnity, the main foyer featured thoughtfully designed décor paying homage to the martyrs, serving as a poignant reminder of their sacrifices. This visual tribute, combined with the day's activities, resonated deeply with participants, uniting them in appreciation for the nation's defenders.

The Kargil Vijay Diwas Celebration 2023 successfully instilled a profound sense of national pride and gratitude, leaving a lasting impact on all who attended. By commemorating this historic victory, the event reinforced values of unity, integrity, and respect for the selfless sacrifices that safeguard our freedom.

Snapshot of the Event:

FAREWELL FUNCTION OF PRINCIPAL DR. PRASANNA NAMBIAR

On July 31, 2023, Don Bosco Institute of Technology bid farewell to Principal Dr. Prasanna Nambiar with a heartfelt ceremony in Mondini Hall. Attended by Revered Fathers, faculty, staff, students, and management representatives, the event honored Dr. Nambiar's remarkable contributions and leadership.

Anchors Mr. Christopher Vaz and Ms. Shreya Chakraborty warmly welcomed the gathering, followed by a prayer by Reverend Father Nelson Carvalho. A touching video presentation highlighted Dr. Nambiar's journey, accompanied by tributes from Revered Fathers Adolf Furtado and Anthony Pinto, and Advisor Dr. Krishnamoorthy.

The Music Club and faculty members paid homage through soulful performances, while a staff act added an emotional touch. Dr. Nambiar was felicitated with a shawl and memento by Reverend Father Anthony Pinto. The event also honored retiring administrative staff member Ms. Linda Dsouza.

In her emotional address, Dr. Nambiar expressed gratitude, reflected on her journey, and welcomed her successor, Dr. Sudhakar Mande. The ceremony concluded with a cake-cutting and a heartfelt vote of thanks, marking a memorable farewell for a leader whose legacy will continue to inspire DBIT.

IMPERIAL OVERSEAS STUDY ABROAD

SEMINAR 2023

The Imperial Overseas Study Abroad Seminar 2023 was held on September 13, 2023, at the BMM Theatre Hall, DBIT. Running from 2 PM to 3 PM, the seminar aimed to inform and inspire SE, TE, and BE students from the MECH and EXTC departments about the opportunities and advantages of pursuing higher education abroad.

The session featured Ms. Sanhita Bhattacharya, a seasoned expert in overseas education with nearly two years of experience in counseling and training. Renowned for her role in helping students realize their aspirations of studying abroad, Ms. Bhattacharya shared her wealth of expertise with the attendees.

During her talk, Ms. Bhattacharya provided valuable insights into key international study exams such as the GRE, GMAT, SAT, and TOEFL, emphasizing their importance in securing admissions to global institutions. She highlighted the transformative impact of international education on students' career trajectories, offering real-life success stories of those who achieved exceptional results under her guidance.

Her passion for education and dedication to creating pathways for students to access world-class academic opportunities shone through in her engaging and informative presentation. Drawing from her professional journey and contributions to leading publications, Ms. Bhattacharya motivated students to consider studying abroad as a stepping stone to personal and professional growth.

The Imperial Overseas Study Abroad Seminar 2023 left participants with a clearer understanding of the process and benefits of pursuing education overseas, encouraging them to take bold steps toward fulfilling their dreams of global academic success.

IMFS STUDY ABROAD SEMINAR 2023

IMFS Study Abroad Seminar 2023: Empowering Dreams Beyond Borders

The IMFS Study Abroad Seminar 2023, held on September 13, 2023, at the BMS Seminar Hall, DBIT, offered an inspiring and informative session for SE, TE, and BE students of the COMPS and IT departments. The seminar, conducted from 2 PM to 3 PM, aimed to enlighten students about the opportunities and benefits of pursuing higher education abroad.

The event featured Mr. K. P. Singh, the esteemed Founder and Director of the Institute of Management and Foreign Studies (IMFS), as the guest speaker. A recognized authority in the field of test preparation, Mr. Singh has guided countless students in achieving their dreams of studying at prestigious international universities.

Mr. Singh provided valuable insights into essential standardized tests such as the GRE, GMAT, SAT, and TOEFL, explaining their significance in securing admission to top global institutions. He also highlighted the transformative impact of studying abroad on students' personal and professional growth. With examples from his vast experience, Mr. Singh shared success stories of students who excelled under his mentorship, gaining admissions to universities like Harvard, Columbia, Purdue, and Carnegie Mellon.

The seminar emphasized the importance of strategic planning and determination in navigating the admissions process. Through anecdotes from his career and his extensive contributions to the education sector, Mr. Singh inspired attendees to dream big and embrace the challenges of studying abroad.

The IMFS Study Abroad Seminar 2023 proved to be a valuable platform for students, equipping them with the knowledge and motivation to explore global opportunities and envision a brighter future beyond borders.

Snapshot of the Event:

FE ACTIVITIES AY 2023-24

The Don Bosco Institute of Technology (DBIT), Kurla, organized four pivotal events for first-year engineering (FE) students in the academic year 2023-24. These events aimed to support students' academic, personal, and professional development, fostering a holistic approach to their engineering journey.

1. FE Orientation

Date: 2nd September 2023

The FE Orientation provided an insightful introduction to DBIT's environment for students and parents. The session began with a prayer led by Rev. Fr. Nelson and a welcome speech from Dr. Vinod Gokarna, Head of the Basic Sciences and Humanities (BSH) Department. Faculty members from each department outlined their curriculum, activities, and resources. Dr. Ashwini Kotrashetti highlighted student clubs and competitions, encouraging active participation. Prof. Sameer Hadkar provided an overview of examination guidelines, and the Training & Placement Officer shared strategies for securing placements. The session concluded with a vote of thanks by Dr. Revathy Sundarajan, emphasizing DBIT's supportive community.

2. JAM Session

Date: 12th September 2023

The Literary Society of DBIT (LitSoc) hosted a lively Just A Minute (JAM) session, an interactive and engaging event designed to break the ice and encourage self-expression. Students participated in quick, witty, and spontaneous speaking activities, showcasing creativity, humor, and linguistic skills. The event successfully introduced first-year students to DBIT's vibrant literary community, underscoring the importance of effective communication and self-confidence.

3. Peer Influence and Bullying Awareness Sessions

Date: 16th to 24th January 2024

DBIT conducted awareness sessions on Peer Influence and Bullying, led by Rev. Fr. Nelson Carvalho. Through engaging videos, discussions, and quizzes, students explored the positive and negative impacts of peer pressure. The sessions emphasized building resilience, maintaining healthy social relationships, and seeking help when needed. Interactive and inspiring, these sessions equipped students with strategies to navigate social challenges while fostering self-belief and assertiveness.

4. Entrepreneurial Talk: "From Ideas to Investments"

Date: 15th February 2024

The entrepreneurial talk, delivered by Siddhesh Surve, founder of Startup Surge and WashMyWheels, provided valuable insights into the entrepreneurial journey. Siddhesh emphasized the importance of perseverance, innovation, and strategic planning in entrepreneurship. He offered practical advice on creating pitch decks, conducting market research, and building investor relationships. The session concluded with an engaging Q&A, where students received personalized guidance and clarity on their entrepreneurial aspirations.

FE Orientation

JAM Session

Peer Influence and Bullying Awareness Sessions

Entrepreneurial Talk: "From Ideas to Investments"

These four events played a significant role in enriching the first-year experience at DBIT. By combining academic orientation, literary engagement, social awareness, and entrepreneurial guidance, DBIT successfully equipped students with the knowledge, skills, and confidence needed to excel both personally and professionally.

HALL OF ACHIEVEMENTS

MEMORANDUM OF UNDERSTANDING

The institute signed several MoUs to collaborate with renowned institutes and organizations for enhancing faculty and student skills and knowledge. Some of the notable ones signed during 2023-24 are as follows:

Sr N o.	Collaborated Agency Name	Date of MOU / Agreement Signed on	Type of Collaboration
1	RUR Green Life Private Ltd	2023	Miniproject
2	QDnet Technologies, Mumbai	2017 renewed on 2022-23	Project, Jobs
3	Tata Memorial Centre, Mumbai	2023	Project
4	Don Bosco ITI Kurla Mumbai	2021	Exchange of Faculties and equipments and softwares for training
5	Chamber of small industry associations(COSIA) / Thane small scale industry associations(TSSIA)	21/02/22	Industrial training and visits, skill up- gradation programs, guest lectures, problem solving for industry etc.
6	SP-TBI Mumbai	29/01/22	--
7	Larson and Turbo Limited	2023-24	Development center for creative, exploration and advanced skilling STEM is science, technology, engineering, and math

IQAC REPORT 2023-24

The DBIT- Internal Quality Assurance Cell (IQAC) has been is working in the year 2023-24 in responsible manner for a number of tasks, including:

Quality benchmarks: Developing and applying quality parameters for academic and administrative activities by creating an environment that encourages quality education and faculty development. Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.

Feedback: Has been gathering feedback from students, parents, and other stakeholders on quality-related institutional processes.

Quality information and Workshops: Has been sharing information on higher education quality parameters followed by organizing of inter and intra institutional workshops and seminars on quality-related themes and promotion of quality circles.

Quality documentation: Coordinating quality-related activities, including adopting and sharing best practices and has been working on developing quality culture in the institution Time to Time through Institutional database like Developing and maintaining an institutional database using MIS.

Quality culture: Preparing the annual quality assurance report (AQAR) as per guidelines and parameters of NAAC from the Recording programs and various activities that improve quality as well as developing quality radars and ranking integral units of the institution every years during pre- and post-accreditation quality assessments.

Academic and research programs: Ensuring the quality and relevance of academic and research programs and sharing research findings and networking with other institutions

Support structure to Teaching and learning: Integrating and optimizing modern methods of teaching and learning as well as ensuring the credibility of evaluation procedures by ensuring functioning of the support structure and services. Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process

ACTION PLAN

Sr. No.	Action Planned	Responsibility	Deadline
1.	Teacher Competency review and training plan	IQAC nominated team	31 Dec 2023
2.	Resource plan to be developed	HoDs, Principal	30 Nov 2023
3.	Student Council to provide plan on DBIT Brand building on social media	Dean Student Affairs, Website Committee	31 Jan 2024
4.	Communication skills upgradation VAC	Principal nominated team	31 Dec 2023

ACADEMIC ADVISORY COUNCIL

Sr No	Department	Name Of AAC Members / Faculty Members	Name Of Organisation with Designation
1	Mechanical Engineering	Dr. S. Krishnamoorthy	Mentor (MechanicalEngineering Dept)Advisor, DBIT
2		Mr Prashant Chouthkanthiwar	Associate Vice President atGodrej & Boyce
3		Prof. Bhalchandra Puranik	Professor,IIT Bombay
4		Mr. Shreyas Bakshi	Innovation Wor(k)shipper, Leader, Strategist, Coach, Advisor, Architect, Facilitator
5		Mr. Llewellyn D'sa	Co-Founder & CEO, Robo Bionics
5	Electronics and Telcom.	Dr. Milind Shah	Professor and Head (EXTC), Fr. C. Rodrigues Institute of Technology, Navi Mumbai
6		Mr. Sunil Dulange	JNPT
7		Mr. Hansel Crasto	DBIT EXTC Alumni

Sr No	Department	Name Of AAC Members / Faculty Members	Name Of Organisation with Designation
11	Computer Engineering	Mr. Atul Gadre	Tata Consultancy Services
12		Mr. Thomas Lobo	Roots2Wings Training Solutions
13		Dr. Bernard Menenzes	IIT Bombay
14		Ms. Ditty Varghese	Sustainable Living Lab
16	Information Technology	Dr. Irfan Siddhavatam	Professor and Director, Somaiya School Of Design
17		Mr. Yorrick Creado	IT Alumni and Manager at EY

FACULTY DEVELOPMENT PROGRAMME

Sr No	Topic	Date
1	Agenda: Leadership addresses, NAAC criteria presentations, and a seminar on NEP 2020 implementation.	26-8-23
2	Agenda: Sessions on "Mentoring: The Don Bosco Way" and "Financial Literacy."	7-10-23
3	Faculty and student achievements, Principal's presentation, and committee updates on key institutional activities.	28-10-23
4	Revisiting CO-PO-PSO attainment calculations and a tool demonstration by Prasad Padalkar.	13-1-24
5	Strategies to enhance student attendance and engagement in classrooms and laboratories for improved learning outcomes.	16-3-24
	Opportunities with Eduskills and insights into Transactional Analysis.	6-4-24

ALUMNI ENGAGEMENT

The Alumni Meet 2024 of Don Bosco Institute of Technology (DBIT), titled **Synchrony Meet 2024**, was held on **Saturday, 10th February 2024**, in Fr. Mondini Hall. The event celebrated the enduring bond between the institution and its alumni. It featured a warm welcome, a prayer by Rev. Fr. Nelson, and a lamp-lighting ceremony led by Principal Dr. Sudhakar Mande and other dignitaries.

Cultural performances by students and speeches by Fr. Anthony Pinto and Dr. Sudhakar Mande highlighted DBIT's achievements, including a 97.58% passing rate, 1500 placements since 2017, and significant investments exceeding ₹20 crore in labs and infrastructure. Alumni like Mr. Cavin Rego (Batch 2014, EXTC) and Mr. Grejo Joby (Batch 2022, Computer) shared their journeys, with Mr. Joby introducing Tecknak, a student-led gaming studio. Ms. Elsa Mathew Samuel (Batch 2021, Mechanical) and Mr. Priyash Lalichan (Batch 2014, IT) expressed their gratitude to DBIT for shaping their careers.

The event also included spot prizes, the felicitation of Former Principal Dr. Prasanna Nambiar, and an address by Fr. Charles Anthony, who encouraged alumni to embody the **A.L.U.M.I.** spirit: Ambassadors of Don Bosco. The evening concluded with a vote of thanks by Ms. Madhavi Pednekar, acknowledging the Student Council's and faculty's efforts. The meet rekindled connections and celebrated the vital role of alumni in DBIT's success.

ALUMNI ENGAGEMENT

PARENTS TEACHER MEET

FIRST YEAR	
Class	Points of discussion
Div A	<ul style="list-style-type: none"> > Ward's attendance > IA performance > Exam schedule > Parents requested access to student performance data
Div B	<ul style="list-style-type: none"> > Individual subject performance > Classroom discipline and attendance > Parents suggested hosting performance updates on the website
Div C	<ul style="list-style-type: none"> > Reviewed attendance and IA results > Additional queries were answered > Parents suggested one-to-one sessions for queries and emphasized on regular updates for student improvement
Div D	<ul style="list-style-type: none"> > Covered academic progress and attendance > IA results > Classroom behaviour > Parents requested for regular academic updates and increased interaction with ATKKT students
Div E	<ul style="list-style-type: none"> > Parents suggested individual focus, morning PTM sessions > Orient parents on scoring and attendance requirements > Ways to improve academic and overall performance

PARENTS TEACHER MEET

Department	Points of discussion
Computer Engineering	<ul style="list-style-type: none">> Displaying ongoing departmental activities> Glimpse at various internship opportunities> IA-1 results & academic progress> Attendance status.
Information Technology	<ul style="list-style-type: none">> Results of IA-1 (Sem-3)> Various obstacles faced while enhancing the quality of teaching-learning process from both ends.
Electronics & Telecommunication	<ul style="list-style-type: none">> Student's academic progress> Guidelines for better cognitive abilities and communication.
Mechanical Engineering	<ul style="list-style-type: none">> IA-1 marks> Class attendance> Any financial difficulties faced by the students> Q&A session with parents .

N.S.S. & OUTREACH ACTIVITY

The National Service Scheme (NSS) unit was established at DBIT in 2005. Each year, 150 students from DBIT actively participate in NSS initiatives, including health, education, social engineering, and environmental projects. The NSS volunteers focus on holistic community development through both direct and indirect interventions in urban and rural areas across Maharashtra. The unit prioritizes activities that are implementable, measurable, and sustainable. In recognition of their efforts, the DBIT NSS unit received an award from the NSS Cell of Mumbai University as the best district-level college and program officer in 2015-16. The NSS website and NSS E-Diary application were designed by DBIT NSS volunteers. Through these activities, students gain valuable experience in working with communities to solve their problems, often through technological solutions. The following activities were conducted during the academic year 2022-23:

Sr No.	Name of the activity-particular	Duration(Hrs)
1	SAVE THE OCEANS	08
2	BLOOD DONATION DRIVE	15
3	SYMBIOS	08
4	CAREER GUIDANCE	16
5	UTKAL SCHOOL TEACHING	50
6	DON BOSCO ORATORY	150-200
7	RRC STREETPLAY AND AWARENESS	08
8	BEACH CLEAN-UP	04
9	BASIC TAILORING COURSE	60
10	PLANTATION IN CAMPUS	08
11	DISASTER MANAGEMENT WORKSHOP	08
12	MENSTRUAL HYGIENE	04
13	VOTERS' AWARENESS DRIVE	10
14	MUSKAN CAREER GUIDANCE	48
15	ECOGARDEN	08
16	WOMEN SHG STALL	08
17	COLOSSEUM VOLUNTEERING	12
18	ENGLISH FOR EMPLOYABILITY	120
19	INTERNATIONAL YOGA DAY	08
20	REVENUE DAY	04

Sr No.	Name of the activity-particular	Duration
21	SKILL NEED ASSESSMENT	10
22	RAKSHABHANDAN	08
23	INDEPENDENCE DAY	04
24	DON BOSCO DAY	02
25	COMPUTER COURSE	10
26	REGREEN PROJECT	120
27	CHUIM COMMUNITY CENTRE	08
28	SELF DEFENCE	08
29	RRC WORKSHOP	08

NSS RURAL CAMP 2023-2024

Dates: - 15th to 21th December 2023

Duration: - 07 days

Venue: - Walvanda village, Jawhar, Palghar District

Number of students: - 46 NSS volunteers.

The first activity began with a session on Climate Change and Its Impact on Rural Areas, conducted by Mr. Macenzy Dabre. During the program, books were donated to local schools, and volunteers taught Math, Science, and English for four days. The Solar JalJoyti project was also implemented in 15 homes. Warli artist Vishal Shende held a workshop on Warli painting for the NSS volunteers. Various awareness programs covering health, education, financial literacy, and addiction were organized in the village. Mr. Prakash Wagh gave a talk on rural issues and the role of youth in addressing them. To experience rural life firsthand, students visited families in Sadakpada village, shared meals, and observed their daily activities.

COUNSELLING & MENTORING

After overcoming a few initial challenges, the counselling department smoothly took on its responsibilities. One of the key initiatives for the department this year was the mentoring process. Before engaging with staff members, the counsellors held several discussions regarding the mentoring process. Meetings were held with mentors from each department, where the following topics were addressed:

- Understanding students' aspirations and aptitudes
- Monitoring students' academics and attendance
- Assisting students in identifying support systems for their academic success and mental well-being to help them excel as engineers

On July 5, 2023, a meeting was organized to discuss the plan for 2021-22 and to consider the creation of a mentorship manual. On August 21, 2023, another meeting was held to refine the objectives of the mentoring committee. Additionally, on August 31, 2023, a meeting took place to discuss the documentation related to NBA Criterion 9.

A meeting with peer mentors was convened on April 5, 2023, with the Campus Minister and Mentoring Committee members to gather feedback from peer mentors regarding:

- (i) Their experiences as peer mentors,
- (ii) How they have benefited from the process, and
- (iii) Their suggestions for improving the mentoring process.

Regular mentoring was carried out by both faculty and peer mentors. The consolidated reports of mentoring activities conducted by faculty and peer mentors were submitted to the respective departments, based on the reports submitted twice per semester.

KARJAT NATURE TRIP FOR FE STUDENTS

On December 22, 2023, first-year engineering students embarked on a Nature Trip and Adventure Program to Karjat, Raigad. Don Bosco's Yuva Sanstha in Karjat, which fosters student growth in various aspects, hosted the trip. The theme for this year's excursion was "Youth for Adventure and Being with Nature."

The primary objectives of the trip were to build students' confidence and motivate them to focus on personal growth by addressing various individual challenges. Another key goal was to help students connect with the ecological environment, enhancing their understanding and knowledge of nature, and encouraging them to implement sustainability practices both on and off campus.

A variety of activities were organized to achieve these objectives, helping to shape students into capable leaders.

STUDENT CHAPTER ACTIVITIES

ACM DBIT

Chairperson: Leander Braganza

Vice-Chairperson: Joshua Menezes

Convener: Prof. Imran Ali Mirza

Organized: C-Programming Course, FE ACM Orientation, Cyber Security Seminar, Teknack 23
Pre Event: Valorant Gaming Tournament, Database linking to Flask workshop, Arduino Workshop,

CSI DBIT

Chairperson: Venessa Nadar

Vice-Chairperson: Aditya Gotivarekar

Convener: Prof Nilesh Ghavate

Organized: Web Dev Series, Git & Github Workshop, Generative AI Workshop.

IEEE DBIT

Chairperson: Annanya Zadbuke

Vice-Chairperson: Dibyarupa Pradhan

Convener: Prof. Freda Carvalho

Organized: AutoBotx Workshop, Technical Report Writing Workshop, IEEE DBIT Office Bearer's Ceremony, IEEE DBIT Office Bearer's Ceremony, Water Rocket Workshop & Competition.

IETE-DBIT-ISF

Chairperson: Bhavesh Patil

Secretary: Neel Pujari

Convener: Prof. Pratibha Dumane

Organized: Robowars, IP Networking, Session, Oscillations 2k23, Talk Industry Insights : Project to Product, HAM Radio.

ISHRAE-DBIT

Chairperson: Nehail Bhandari

Vice-Chairperson: Tarun Muali

Convener: Prof. Cleta Pereira

Organized: Seminar on Marine Engineering , Walk through Around of Refrigeration Systems ,Tech Quest Event (Treasure hunt),Expert Talk on “Technical Advancement of field devices in HVAC Industry”.

MADGEARS MOTORSPORTS CLUB

Chairperson: Shaun Pinto

Vice-Chairperson: Varad Kadam

Convener: Prof. Nilesh Gaware

Organized:- Inauguration and Unveiling of Go-kart event, workshop on “RevvUp: From Theory to Track”

Participated:- National level Go Kart Design Challenge (GKDC) Season 11 competition, National Level Formula Kart design Challenge FKDC Season 7 competition

DOMAIN (MATHS CLUB)

Chairperson: Manish Patil

Vice-Chairperson: Harsh Dusane

Convener: Dr. Revathy Sundararajan

Conducted calculator workshop for FE students. Conducted peer learning FE and DSE students. Organized a Technical Paper Presentation competition as a part of Colosseum 2024.

E-CELL (ENTREPRENEURSHIP CELL)

Chairperson: Kevin Lewis

Vice-Chairperson: Harsh Panchal

Convener: Prof. Kalpita Wagaskar

Organized: Conducted the flagship event: Make-A-Thon, an intercollegiate competition that gives rise to the budding entrepreneurs. Organised Tech Quest Event (Treasure hunt) 2024

LITERARY SOCIETY

Chairperson: Avesah Siddiqui

Vice-Chairperson: Neha Nair

Convener: Prof. Sachin Sugave

Organized: J.A.M. Session for FE students, Murder Mystery Game, Onam elocution Competition, Online Debate Competition

SOCIAL INNOVATION FOR ENVIRONMENT

Chairperson: Aaradhya Deotale

Vice-Chairperson: Manish Patil

Convener: Dr. Ashwini Kotrashetti

Organized: SOS Nature Photography competition, SGNP Nature walk, DBIT Campus Waste audit

FROM THE EDITORIAL TEAM

It is with great pride and enthusiasm that we present the **Annual Report** for **Don Bosco Institute of Technology** for the academic year **2023-24**. This report reflects our institution's unwavering dedication to academic excellence, innovation, and inclusivity.

Despite challenges, we have turned obstacles into opportunities for growth. We remain dedicated to empowering our students and fostering a dynamic learning environment.

We extend our deepest gratitude to our faculty, staff, and students for their dedication and passion. Together, we will continue to inspire change and build a brighter tomorrow.

Sincerely,
Editorial Team

THE DON BOSCO ETHOS

Truth : Via words and deeds

Teamwork : One for the Other

Participation : Explore & Learn

Belief : Everyone Can

The Don Bosco Education believes in the Spirit of Joy, Celebration, Confidence, Familiarity, Friendliness and Freedom. The focal point of the Don Bosco Education is to pervade and integrate the presence of Home, Playground and Classroom. It intends in building Education for a Happy life.

The Don Bosco presence is Welcoming, Loving, Motivating and Incarnational. It Teaches Moral Values and Molds Creativity along with being Open to Discovery and Connecting with others.
